

April 1, 2024

Dear Parents and families,

Well, it's official...spring is here! Laura and I hope you all had a good break. We are jumping into all things SPRING this month. As well, this is Earth Month, so we will be discussing how we can minimize our footprint and impact on Mother Earth.

Our colour of the month is yellow. **Yellow Days** will be **April 18<sup>th</sup> and 19<sup>th</sup>**, so please wear yellow on these days. We are finishing up the alphabet and starting to work on numbers this month as well. Also, don't miss out on the opportunity to help support the Preschool by creating a one of a kind mug by **Prairie Moon Handmade** on **Saturday, April 20<sup>th</sup>**.

We will once again be making and selling Art Cards this year. Art card orders (including payment) will be due on **Wednesday, April 24<sup>th</sup>**. Parents can choose 5 pieces of their child's art to make in to cards. These are such fantastic keepsakes for family and friends. Each Package of 10 cards and 10 envelopes is \$17 (cheques or etransfer). An email specific to art card orders will follow in the coming days.

*\*\*Also, a reminder that the allergies in our classroom include, but not exclusive to, NUTS and TREE NUTS. Please refrain from sending snacks that may contain these allergens. Thank you so very much for your cooperation in this matter as these kiddos are so little and we want to ensure their safety.*

Upcoming dates to remember:

**April 18 & 19** – Yellow Days

**April 20**- Preschool Mug Fundraiser

**April 24** – Art Card Orders Due

**May 25**- Cathedral Village Arts Festival

Happy Spring!

Jodi and Laura
