Happy New Year Preschool Families!

Laura and I hope that everyone has had a great start to the New Year. We wrapped up 2025 with a fun Holiday Celebration and a Giving Tree where we donated the much needed winter clothing to Regina's North Central Family Centre. These donated items were a welcome addition to their families. Thank you so very much to all of our families for your amazing support. As well, Mozart's friends at the Regina Humane Society were thrilled with the additional support!

We will be kicking off the New Year with "Building Wonders" theme. We will be learning about building, the materials that can be used, the equipment and tools. Blue will be our colour this month. **Blue Days** will be Jan. 22<sup>nd</sup> and 23<sup>rd</sup>. We will also be heading up to the Gallery to view the current exhibitions. If you are available to be a helper on our trips up in the Gallery, please speak to Teachers.

It can be a bit difficult to think about next September at this time of year, but we will be starting registration for returning students and existing Co-op families. Registration forms can be found on our website and emailed directly to the preschool. Registration for new families on our wait list will follow.

We are featuring our **Artists of the Week!** This is where the children get to showcase their art portfolios. The artwork will be hung in the classroom for viewing for the week. See the current and upcoming calendars, for your child's Art Show week.
